

Our menu is inspired by time spent living & travelling around the Med & now our wine selection is too. Every wine we list is produced only from regions adjacent to The Med. This means there are some popular names we can't include & a few less familiar grapes & styles we can. To help you choose with confidence each wine is compared to better known grapes or styles and you can see exactly where each wine was produced on the map below.

WHITE

- 10

Il Meridione Catarratto IGT
SICILY | ITALY
Light & crisp with citrus, peach & jasmine.
